Projects

○ Hyde Park Website

Collaborated on the development of a production website for the Hyde Park Kenwood Community Action Council using React, TypeScript, Node.js, HTML, and CSS. Contributed to responsive UI development and team-based feature implementation.

URL: <https://www.hydeparkcac.org/>

○ Personal Website

Designed and developed a fully responsive portfolio website from scratch. It is implemented using custom animations, interactive navigation, and responsive layouts using HTML, CSS, and JavaScript.
